

Pastor's Report

Pr. Kenyon will have an oral report at meeting.

Parish Administrator Report

I have changed Trinity's church listing in Neighbors to Pr. Tim Kenyon.

Ordered a laptop for Wendy which arrives the beginning of November. It is a custom HP order and is being shipped from China. Still need to purchase a printer. I haven't come across any bargains so I guess that I will have to just pick one out.

I worked on getting Sharon's user account off of the church's computer and getting Pr. Kenyon setup on that computer.

Have been posting the worship videos on Facebook and Trinity's YouTube channel.

Respectfully submitted,
Shannon Brown

Christian Education

All is going well with Sunday school! Rally Day was a great morning. We had one 3rd grade student receive her Bible and 5 teachers were installed. Afterwards the kids each painted rocks and wrote the words FAITH, HOPE, LOVE and PEACE on them and placed them on the east, west, south and north sides of the church. The lesson was called House on a Rock. Scripture was read at each direction of the church. Eight rocks with the letters for the word blessing were also created and placed under the blessing boxes. It was so great to be outside.

The next Sunday we met inside and of course met the social distance guidelines. There were 4 elementary kids and 5 kids in confirmation. The following Sunday was the same. So great to be back at Sunday school/confirmation! We will continue to meet every other Sunday.

Your friend in Christ,
Wendy

Treasurer's Report

SBA Payroll Protection Program forgiveness program has recently introduced a form forgiving loans under \$50,000. LeAnn is going to work on filling out the form for us.

General Fund Offering	Income	Expenses	Income Shortage
September	11,149.00	8,388.45	
Jan. – Sept.	82,703.70	90,677.47	7,973.77

The above income is from offering. It doesn't include the PPP loan because until that is forgiven it is a liability for Trinity.

I will continue to work with Mary Nuss as we change over to a new treasurer.

We now have a budget/finance team – Bill Konigsfeld, Mary Nuss, and Shannon Brown.
